

## Darroch Takes Up Lead Role

### ➤ What does the DTZ acquisition mean for Darroch clients?

The amalgamation of DTZ and Darroch Valuations through QV's acquisition of DTZ New Zealand Limited establishes Darroch as top-dog across New Zealand's commercial and industrial property profession. Darroch is now the largest commercial property services firm in the country and nationally has resources of over 150 professional staff. The enlarged business has significant strength across all facets of the property market with offices in Auckland, Hamilton, Wellington, Nelson, Christchurch, Dunedin, Timaru and Alexandra.

**Darroch now provides a full range of commercial property services including:**

- **Property Management**
- **Facilities Management**
- **Valuations**
- **Consulting & Research**

The growth of the company allows us to better serve many clients who previously dealt with multiple service providers in order to meet all of their property needs. In addition to independent valuations, Darroch also provides Property Management, Facilities Management, Consulting, Research and Corporate Advisory services.

Bill Osborne, Chief Executive of QV said; "The acquisition has seen the Darroch brand vastly expand its capabilities. DTZ brings a number of unique qualities which marry well with existing Darroch services. Traditionally, DTZ has concentrated its business in CBD & Fringe markets, offering professional property management services, consulting, research and specialised valuations. Combined, Darroch Limited can provide comprehensive market advice to all clients. Darroch is now a leading force in the property sector with a broad range of highly specialized and well regarded property services".

Darroch will continue to provide expert, independent valuation services on commercial, industrial, rural and residential property. The company has expert valuers who specialize in areas such as retail, tourism, primary industry, central and local government, aged care facilities, infrastructure and plant/equipment to name a few.
